

LEGOLAND GÜNZBURG

Source: www.legoland.de

Client: Legoland Planungs GmbH, Günzburg
Year: 1998 – 1999
Location: Günzburg (Bavaria), Germany

Brief Description:

After the famous Legoland in Billund and the newer ones in Windsor (Great Britain) and Carlsbad (USA) the Danish LEGO company has opened its fourth park in Günzburg, Bavaria, in May 2002. The project area covers 140 hectares and is conveniently situated to the supra-regional motorway net. The investment volume for the overall project amounted to approx. 150 million EUR.

The task of Wenzel Consulting was to determine the local-economical effects of the project.

Tasks:

- Determination of the Local-Economical Effects
